For the attention of Mr Ken White

Dear Sir,

NEO Bankside

We are delighted to confirm that the NEO Bankside Project and Carillion have won the Constructing Excellence highly prestigious Health & Safety award for 2012.

This is a fantastic achievement considering the complexity and safety challenges the project faced over the past 3 years.

I would personally like to thank you and your team who worked on this iconic project in helping us achieve this success and look forward to working with you again soon.

Yours faithfully

Chris Wallace
Project Director
